

Can't Find Your Tracking Number?

Where is it?

If you have purchased a Pure Bred lamb product, your tracking number can be found on the blue package label, here:

What does it mean?

The code to your product is broken down as shown in the example below:

I

Pure Bred's patented product grading code, numbers 1 - 5.

R

The lamb's ear tag color on the farm for easy identification.
Single letter.

SK

The two-letter farm code for where the lamb was raised.

777

The lamb's ear tag number, one through five digits.

C

The single-letter primal cut designation, letters A - F.
